

Getting started with **libby**

The Libby app is a new, streamlined way to borrow digital books and audiobooks from your library.

This free app, created by OverDrive Labs, is available for Android (including Kindle Fire and NOOK tablets) **and iOS** (iPhone/iPad/iPod touch) **devices.**

1

Install the Libby app from your device's app store.

2

Open the app and find your library. You can search by library name, city, or zip code.

3

Browse your library's collection and borrow a title. When prompted, sign in. You'll need a valid library card to complete this step.

NOTE: All your borrowed titles will automatically download to the app after you sign in. To turn off automatic downloading, go to **Download Settings** (under .

4

Borrowed titles appear on your **Shelf** and download to the app automatically so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Start Reading** or **Start Listening** to open a title.
- Tap the cover image, then **Send to Device** to send a book to Kindle.
