“There’s no limit to where the library can take you”

Summer Preparation

Spring is in the air and that means summer can't be far behind...right? We finally are able to work outside, getting all those projects done that we planned to do all

winter. Raking, weeding, trimming, painting, simple repairs and backyard building projects are all on the menu. Get them done now and we can enjoy the great summer weather ahead and all the fun activities our area (and library) have to offer.

Before you start those projects, be sure to stop by the library. Our shelves are stocked with books covering a variety of topics ready to help you with whatever your needs are. These include gardening, how to projects, interior design, coaching sports and so much more. DVD's are also available on many of these subjects, as well as getting in shape, yoga and travel planning.

Online there are some great database resources provided by the Board of Library commissioners. The **Gardening, Landscape, Horticultural Collection** provides users the opportunity to search for magazine articles and reference resources on all of these subject areas while the **Home Improvement Collection** will help even the most novice of project builders.

You can find these and all our other databases on the online resources page.

Yes, spring is well under way. We will all work hard to get whatever our projects are finished so that we can enjoy the fruits of our labor all summer long. Be sure to let the Jonathan Bourne Public Library help make these tasks easier and more enjoyable to complete.

Big Dewey Thank You

Just a quick thank you to everyone that participated and helped to make this year's 5th Annual Dewey Classic a success. A little over 200 people came out and enjoyed the mini-golf course built throughout the

library, the bake sale and raffle (which is still going on til May 10th). Funds raised will go towards our summer concert series. Special thank you to Russ Bolton and Library Mini-Golf for all they did to make this event a success.

WE NEED YOUR HELP: The Dewey Classic is the fundraiser used to fund the Concerts On the Lawn series each summer. Those concerts, in turn, become food raisers for the Bourne Food Pantry. The current committee that organizes the event has decided to step down next year. If you would like to see the mini-golf and the concerts continue, and can help plan for next year's event, please contact Patrick at the library at 508-759-0644. A small committee of three or four people can help keep these community traditions going.

Notable & Notorious 1920s Tea

Join Donna and Ron Lasko
Thursday, May 9th at 7:00 p.m.
for this entertaining, yet
informative, look at the roaring
20s. In addition to their own
uniquely blended tea, Donna's
1920's fashion collection and
accessories will be both on display
and in use with audience participation in an
impromptu fashion show of hats, fans,
oriental robes and dress of the period.
Tickets for this event are \$5 and available
now at the library service desk. What a
great way to celebrate Mother's day early.

Overdrive, New Look for E- Audio.

Overdrive, the CLAMS network's
downloadable e-book and audiobook
service has upgraded their look providing
users an easier way of searching for titles.
Customers clicking on the link from our
website are quickly brought to a search
screen that is cleaner and easier to
navigate. When logging in, you will still
need your library card number and PIN
number to download materials.

A great overview /how to video is
available at

<http://clamsnet.lib.overdrive.com/1C55864-F-CBE2-47E5-AD30-9F9669CFD130/10/50/en/NextGen.htm>

Also, the library has links from the
homepage on how to work with various
devices for e-books and audio.

CLAMS is also working on a new service
where customers will be able to contact
Overdrive directly for help using their
specific device.

So many changes, so many books,
so little time. Be sure to check out the
Overdrive page. As always, call the library
for assistance and staff will be happy to
help.
